

AMENDMENT #3: AMREYA REFINERY MODERNIZATION

POC: Anna Amaya, USTDA, 1101 Wilson Boulevard, Suite 1100, Arlington, VA 22209-3901,
Tel: (703) 875-4357, Fax: (703) 775-4037, Email: RFP@ustda.gov.

Please note that the Request for Proposals (RFP) for the FEASIBILITY STUDY for the AMREYA REFINERY is amended, as follows:

Questions, Answers and Clarifications: This amendment consists of clarifying questions and answers submitted by potential Offerors regarding the RFP packet. Responses to submitted questions are attached.

Q: With regards to the **REQUEST FOR PROPOSALS FEASIBILITY STUDY FOR THE AMREYA REFINERY MODERNIZATION** which we are in receipt of, can you please clarify that the award for the study will originate from Egypt and be issued by Amreya Petroleum Refining Company (APRC) and not the USTDA.

A: The proposals will be reviewed and the contractor selected by APRC. Following selection, APRC will inform USTDA. Following due diligence and approval of the contractor by USTDA, the award will be communicated to the winning bidder from APRC. For information on what would disqualify a contractor from being selected for any USTDA funded projects, please see: <https://ustda.gov/wp-content/uploads/Criteria-for-Withholding-Approval-of-contractors-FINAL-w-logo-1.pdf>

Q: Reference to the attached RFP Amendment, we understand that any technical information/data must not be used for any purpose, duplicated, or disclosed to others without a written permission of the relevant licensor of the certain process. Kindly confirm our understanding is correct.

A: Regarding bidders' question concerning availability of technical data, data of APRC licensed units will need a written permission of the relevant licensor while data of other non-licensed units will be available. Classifying of data will be done at the time of bidders data request.
